Thanks, Sarah. I made some changes to the NHPA discussion based on what we heard from the ACHP on a call today. We'll need to make similar edits to the NHPA file document and possibly elsewhere. Sorry for the late change; I think the outcome is about the same for us, but it will probably affect how we describe the process.

Hi guys –

Here's a draft of the briefing paper for the next discussion with Deb/Shawn. We could make updates to this after that meeting for the next briefing with the Administrator. Let me know if that makes sense.

Ex. 5 AC/DP

I will work on merging my comments on Class I/V with Douglas's now.

Thanks!
